## inspirepac achieves a 4th Gold

inspirepac Ltd is celebrating winning one of the prestigious RoSPA Occupational Health and Safety Awards in 2010 for the fourth consecutive year, at both the Chesterfield and Wetherby site.

The Gold award will be presented at the Birmingham Hilton Metropole Hotel, at the National Exhibition Centre, on Tuesday, 11th May. The ceremony will take place alongside Safety and Health Expo 2010, Europe's leading annual health and safety exhibition.

The RoSPA Awards are not just about reducing the number of accidents and cases of ill health at work; they help to ensure that organisations have good health and safety managements systems in place.

In current economic climates, awards are more important than ever because they demonstrate that employers care about their employees and will not let slip their standards of health and safety practice even if times are tough.

inspirepac are extremely proud to win this award for the fourth year, as it not only reflects the success of our proactive approach to safety management, but recognises the commitment and professionalism that our employees maintain on site, every day.
